

# Ads for Recital Program

We will be offering ads that you may put into the recital program for your child. Listed below is a pricing list of the ad prices along with the prices for the programs at recital which you may either pre-order or purchase there. We work with East Dallas Printing Company to produce some lovely programs for the girls and their hard work. You may do business ads or personal ads, either one are fine!

¼ Page- \$25.00 (Two picture maximum)

½ Page- \$50.00 (Four Pictures Maximum)

1 Full Page- \$95.00 (Eight Pictures Maximum)

\*Each additional picture past these limits require \$5.00 extra per picture

Please send in **your fully designed ad or the pictures and what you would like to say** to me at jenn\_sodc@yahoo.com and paid for in the office by May 16<sup>th</sup>. (Checks made payable to Steppin' Out Dance Company). We will be turning in the ads and solo showcase/recital orders to be printed that following Monday.

These programs will be for sale in the lobby for \$5.00 each or you may pre-order your programs for \$3.00 each by detaching and filling out this bottom portion and also turning it into the office. We prefer pre-orders because it will give us a better idea on how many programs to print. We cannot promise you a program if we sell out so make sure to order ASAP. This will have your child's dances in it as well as all ads purchased. Please turn in bottom portion to office no later than May 16<sup>th</sup> with payment and completed orders for programs as well.
